FOREVER OURS

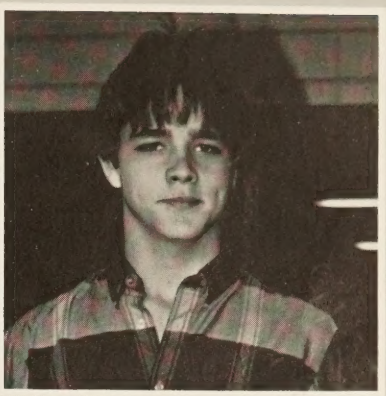
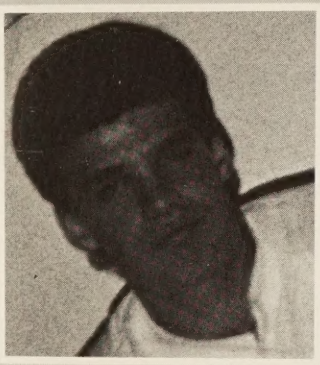
The fleeting moments of our final high school days
Pass before us like the everchanging cloud patterns
In a soft summer sky.
Briefly they are ours; swiftly they pass into time.
Yet each moment is held captive in our minds,
Illuminated by the love and laughter of friends,
Held in the fragile reverence of our glory days.
Unending in memory, these moments shall remain . . .
FOREVER OURS.

TODAY'S MOMENTS . . .



Before . . .

. . . After



What are you talking about??

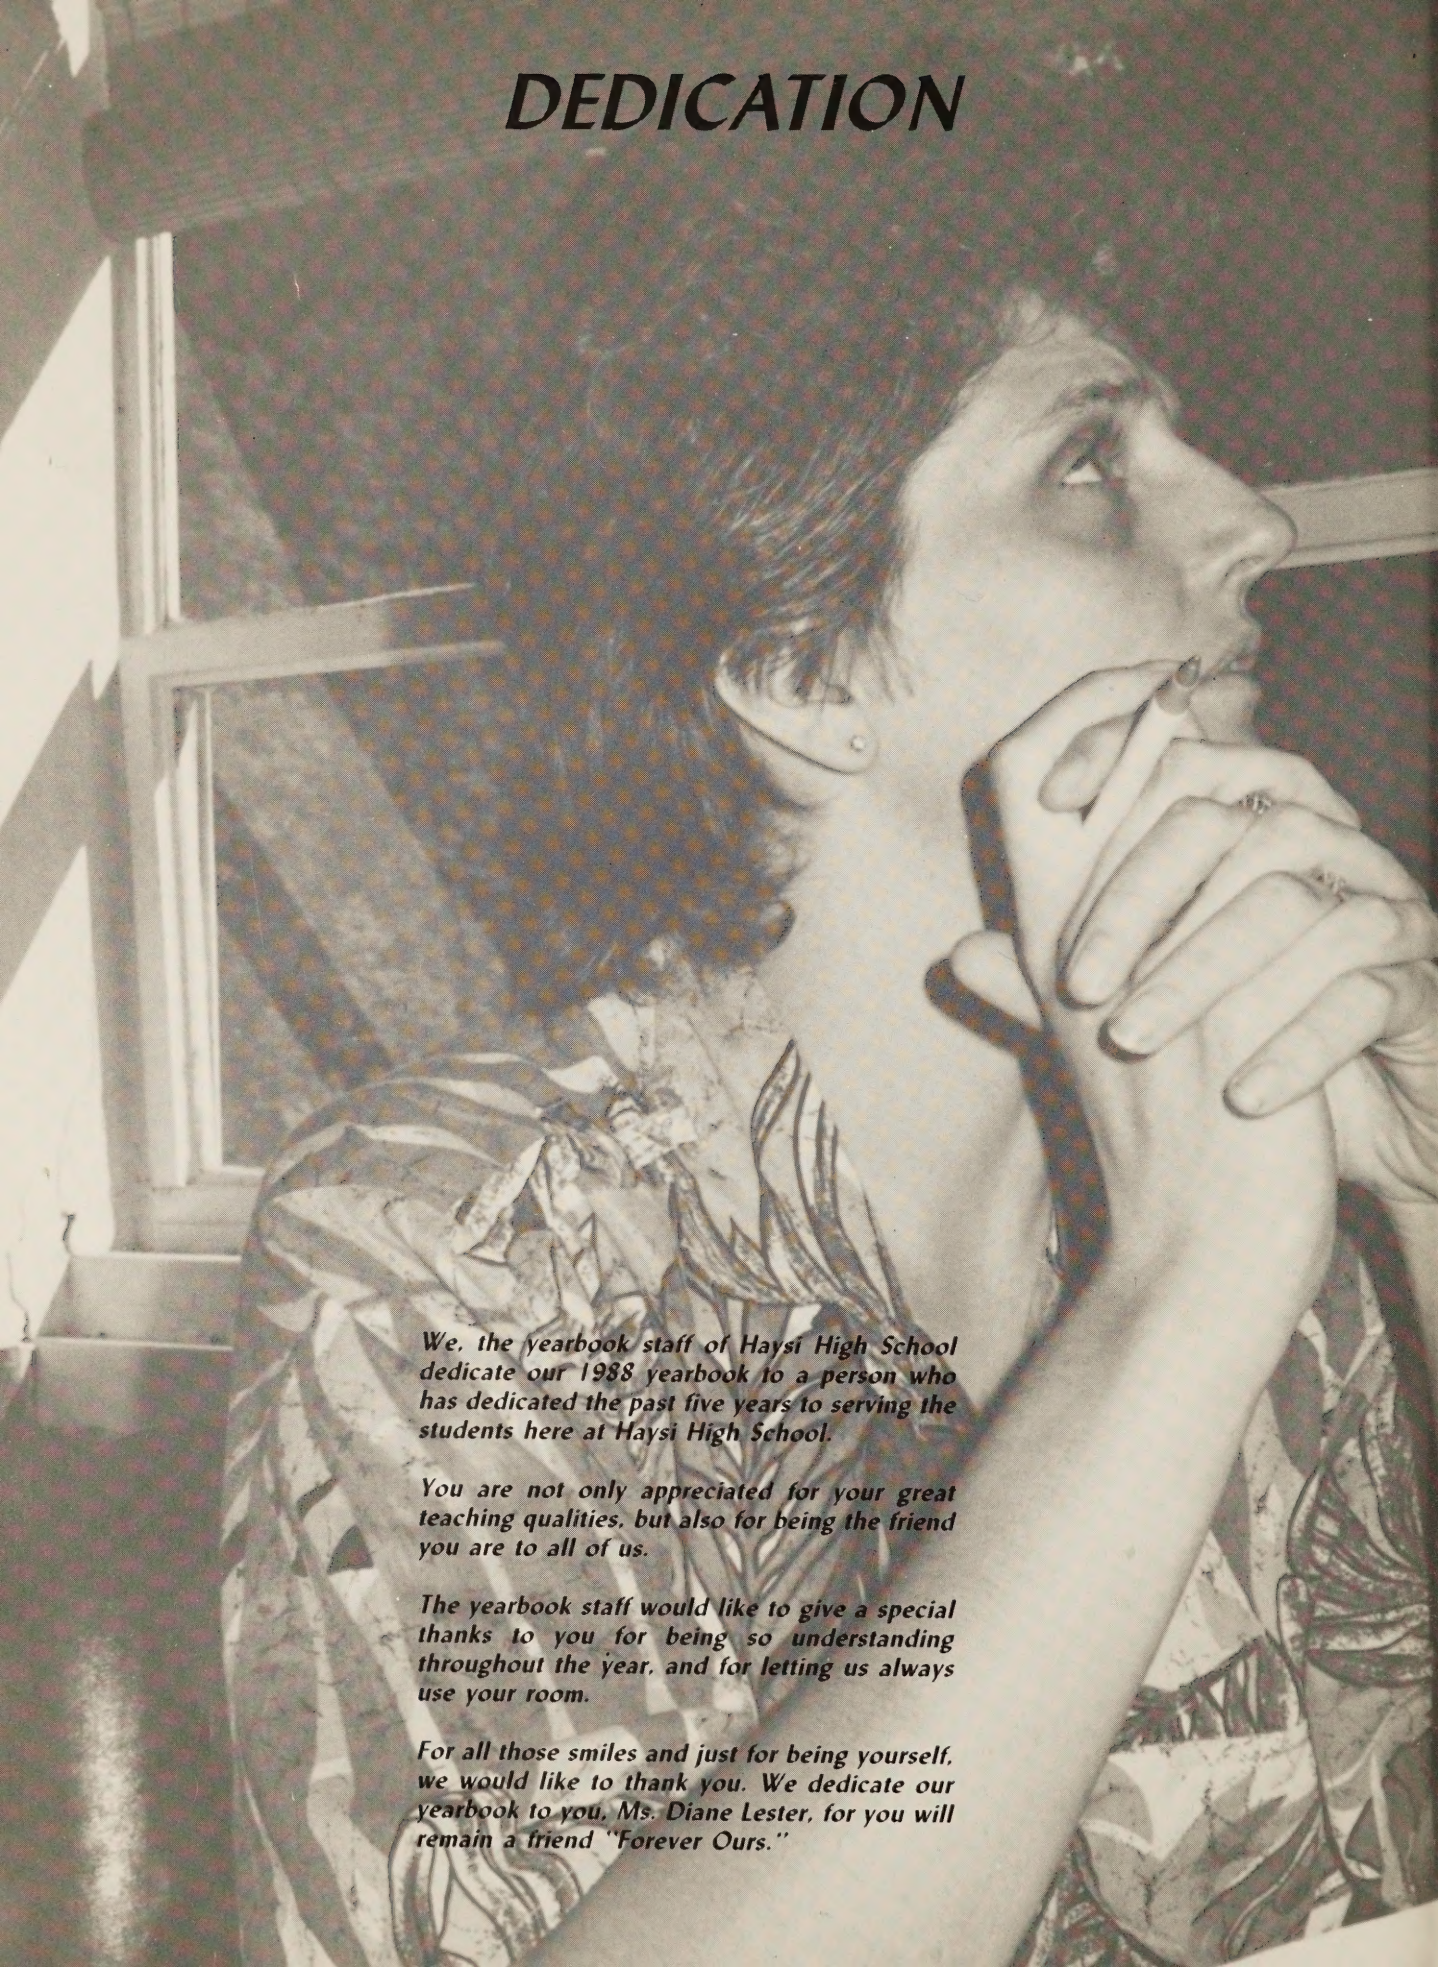
DEDICATION



We, the yearbook staff of Haysi High School dedicate our 1988 yearbook to a person who has dedicated the past five years to serving the students here at Haysi High School.

You are not only appreciated for your great teaching qualities, but also for being the friend you are to all of us.

The yearbook staff would like to give a special thanks to you for being so understanding throughout the year, and for letting us always use your room.

For all those smiles and just for being yourself, we would like to thank you. We dedicate our yearbook to you, Ms. Diane Lester, for you will remain a friend "Forever Ours."

FACULTY

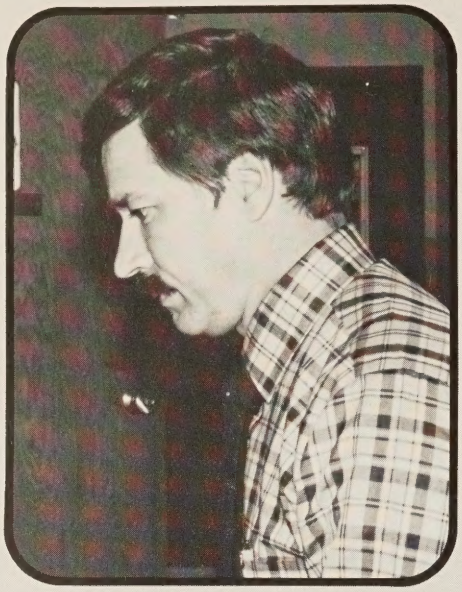
EIGHTY-EIGHT

ADMINISTRATION



I would like to extend my congratulations to the graduating class of 1988. I think Haysi High School has provided the opportunity for you to prepare yourself for the next stepping stone in life and I trust and hope you have taken advantage of this opportunity.

You have probably discovered that a person's reward is determined by the amount of effort he has put forth. This philosophy will stay true throughout your life. Therefore remember that "life is not fair" and he that strives to do better, the hardest and longest, will succeed the best.

Good luck and may God be with you always.

David C. Yates, Principal

It has been a pleasure working with the class of 88' throughout these profitable years. You should be proud of the accomplishment you have made driving toward your goals of life. We have shared moments that will always be cherished. I hope each and everyone will be able to fulfill your hopes and dreams for the future. Congratulations to you and may you always keep in touch.

SENIOR OFFICERS

FAREWELL CLASS OF 88

On winged feet the four years pass

And now we honor our Senior Class,

Beyond these walls, this town, this state

A whole new world lies in wait.

You've much to learn, we're often told

Wisdom to gain before you're old

But today — before you turn and go

Your separate ways, as well we know,

Enjoy this place, these hours, this school

In memory they'll return to you.

I, Rachel Rose, being of scrambled mind and warped body, do hereby will: all my stuff to my brother, Brian; to Seth, I leave my job as section leader; and to my friends, I leave my love.

I, Brian O'quinn, being of slow mind and "Conan-like" body, do hereby will: the original triple threat, M.D. Bro's a tank full of gas and the will to do anything, anywhere, anytime, plus $2.59 (for who knows what); I leave Regina C. to Lundy W.; my fishing pole to Chris S.; and to Monte M.; the river I picked you up and threw you in.

I, Greta O'quinn, being of confused mind and tall but very lean body, do hereby will: Tresa all of our memorable times at H.H.S.; to John and Tony, our planned pizza parties in the gym; to Tammy, I leave all of our crazy but fun times as being a SENIOR; to Tina, I leave all my funny looken shorthand; to Regina Church, all our "fighting" in the halls; to my cousin Melinda, all my worldly possessions because she thinks of them as her's anyway; and last, but not least, I leave my brother Greg nothing because really he doesn't deserve anything.

I, Susan (Betty) Sexton, being of superb, unpredictable mind and the supreme body, do hereby will: my love and body to Greg; my gratitude to the teachers for trying to teach me something; the rest, I leave to Science to bewilder themselves with, after that, if there's anything left, just put it into a garbage bag and give it to my brother as a souvenir.

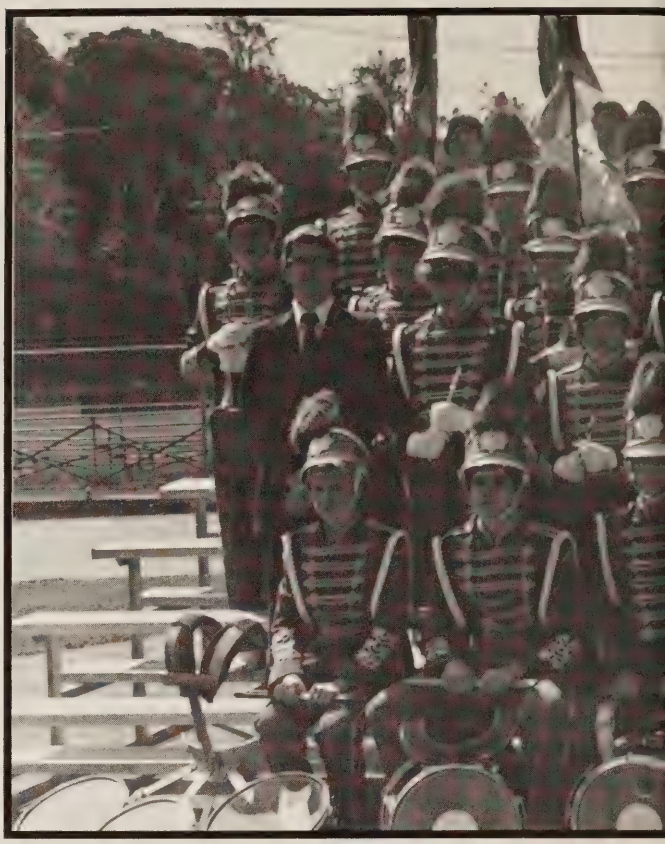
HAYSI HIGH



The 1986-1987 school year was one of the best for both the Band and the Choir. This new year has proven that "the best just keep getting better." The Choir will end up being better than last year's, as the students are performing more difficult music and performing at a higher level.

The marching Band had one of its most successful seasons, starting with a Division I trophy at the Wytheville Band Competition and finishing the year with a Division I trophy at the McChesney Band Festival. This group has been one of Haysi's finest bands yet, showing pride and spirit at every activity. The leadership of the nine Seniors has been important and they will be missed.

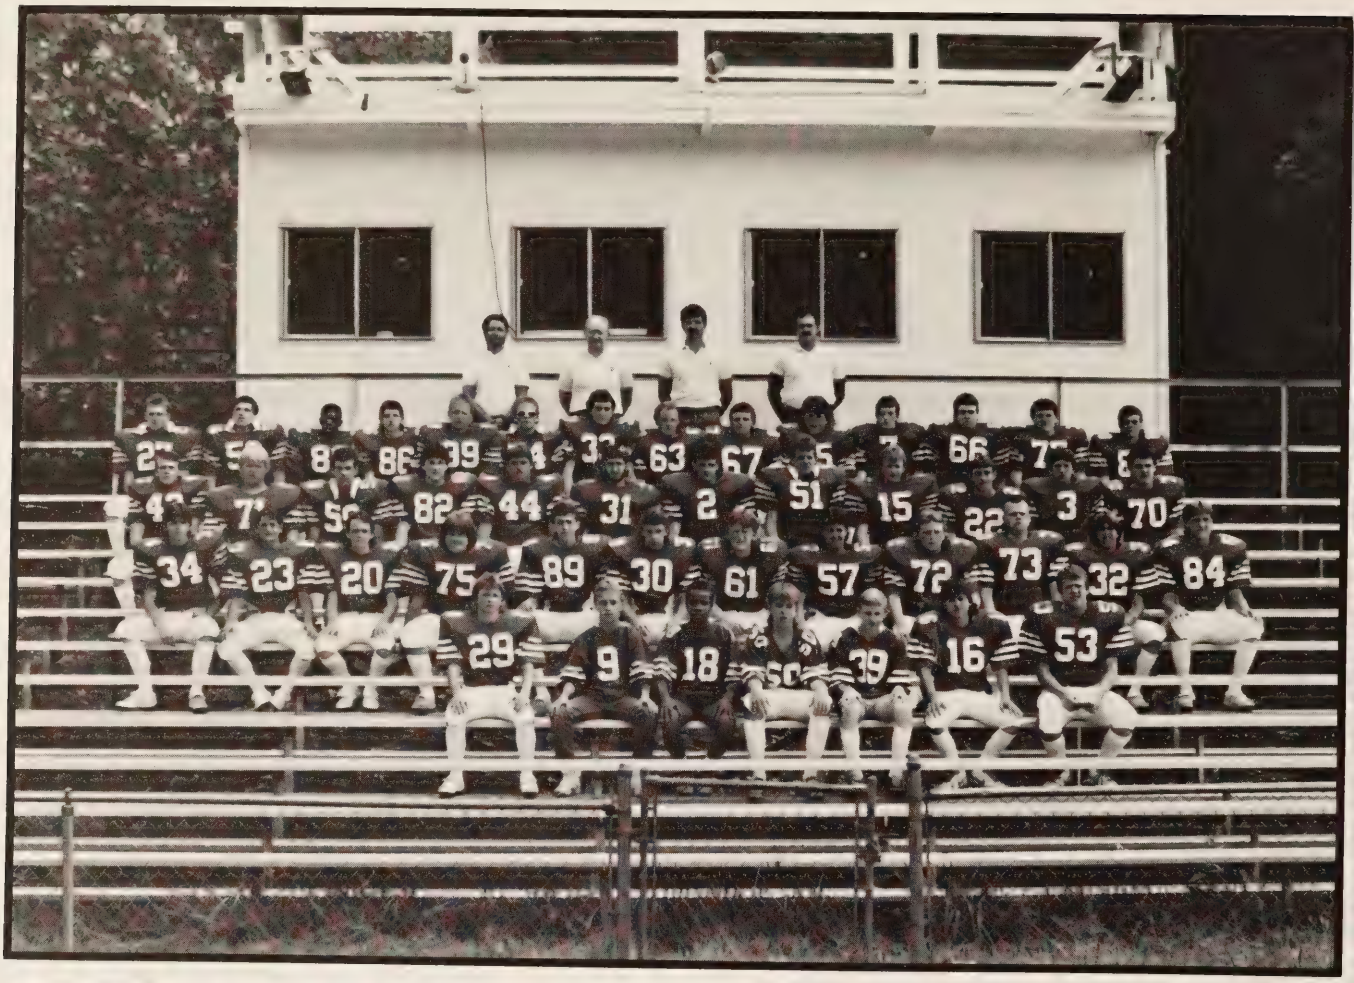
THE TEAM



The 1987-88 Haysi Tigers completed another winning season under the direction of head coach James Colley. The Tigers finished the year with a 9-2 record, the second best season in the Tiger's history. Teamwork was the key both offensively and defensively as the Tigers rolled on to a Region D Playoff berth, and at one time held a sixth place ranking in the state. The team will be graduating fourteen seniors this year, who will be greatly missed. We will be looking forward to the same kind of exciting play from next year's team.

The class of '88 will remember with pride their accomplishments. From the hot summer practice to the wind-chilled days of November, this team will treasure their days on the grid iron. These seniors have been B.D.D. champions twice in the last three years. They will leave H.H.S. as Champions. May their football success follow them throughout life.

Due to hard work and dedication, the 1987 Tigers baseball team returned to regional competition. This accomplishment was led by a group of ambitious seniors: Brian Fuller, Billy Mullins, Hubert Sweeney, Randy Hill, Kevin Counts, Chris Lowery, and Roland Edwards. Highlighting the season was a 1-0 victory at Hurley led by the pitching of Randy Hill (one hitter) and a solo homerun by Eric Counts.

The upcoming 1988 season is one that is looked upon with high expectations due to the return of some key players. Leading the Tigers will be Eric Counts, T.J. O'Quinn, and Scott O'Quinn. The strength of this team will be hitting; the one problem area is the lack of a pitcher returning with game experience. One task for the Tigers will be to mount a challenge for St. Paul, a team which is returning with some key players.

EDITOR'S MESSAGE

It has been a terrific year. We have tried our best to make the 1987-88 "Forever Ours" annual a great one. In doing this we had the help of alot of special people.

To those who helped, we owe a great deal of thanks: Mrs. Charles, for putting up with us and helping us with so many things; Ms. Lester, for letting us use her room, computers, and typewriters; Mr. Yates and Mr. Musick, for giving us help when we needed it; Ms. Kilgore, for handling all our money for us; Mrs. Rita Justice and Mr. Roger Stanley, for taking some great pictures for us; And last, but certainly not least, we thank the student body, because you make the pages of our annual "Forever Ours".
